

Delorean "The Nightlamps"

Last night I had a dream about tim
Small kids break some teeth to lick the pale feet
Lay down the bed with nightlamps to read more to
drink more to forget
French suits and smoke
Fuzzy nitgh loves
Shoegazing late shows
Fearing moles in the dark
Kids trying out to hard girls giving up to fast

Fearing sex and puberty lust
Puffy pants at waists
French suits and smoke
Fuzzy nitgh loves
Shoegazing late shows
Fearing moles in the dark
'Go and try it you should go and try it just go to try it go
and try it'
