Hey baby, youÂ´re a Parasite  
You need my blood to stay alive  
AinÂ´t gonna get it ain't gonna get it ain't gonna get it  
baby, that's just right

Look who's talking, the lord of lies  
You are nothing but a Parasite  
YouÂ´re gonna get it YouÂ´re gonna get it YouÂ´re  
gonna get it baby, that's just right

Get back to mother and cry  
You little Parasite

You hate to suffer but you want it all  
You want to fly before youÂ´ve learned to crawl  
AinÂ´t gonna get it AinÂ´t gonna get it AinÂ´t gonna  
get it baby, thatÂ´'s just right

Unpleasant flavour as you take a bite  
The bitter truth, Parasite!  
YouÂ´re gonna get it YouÂ´re gonna get it YouÂ´re  
gonna get it baby, thatÂ´'s just right

Get back to mother and cry  
You little Parasite
