YouÃfÃ, 've been holding down so long
You canÃfÃ, 't stand up
YouÃfÃ, 've become a lie
And now you canÃfÃ, 't get up

The one and only
WeÃfÃ, 're gonna get you rolling
Stinger Citizen youÃfÃ, 're on a dead end ride
Come on out
DonÃfÃ, 't you back on down

Do you wanna get up
Stinger Citizen the fear of falling out
Stinger Citizen youÃfÃ, 're soon to see the light
The one and only
WeÃfÃ, 're gonna get you rolling
DonÃfÃ, 't you back on down

DonÃfÃ, 't you wanna get up
