You Said You Love Me

wrong dude I'm tryna tell you boo that's just something

face so why you wanna leave me boo. Call me when

me when you need me? Walkin right up out the door

leave me alone All because you gone since you so
grown just remember how bad you did a nigga wrong.

Promise to each otha that we always make it last

but you made it break cuz you promise you wouldnt
drop the glass, well tell me why you want
Me to stay when you was with him u wanted a get away
Imma do you a fava since kali so fly
And let u do yo thang wit anotha guy

So Why did you Leave me Girl

You turned yo back on me
So tell me what it do

Lil mama tell me what it do, is it still gon be me and
you, cause I ain't got time to try to find time if we thru
If we thru, now u steady lieing up in my face, saying
that you love me, but tell me how, girl don't cry,
Cause you wasn't crying when you did that dirt, so
don't cry now, a wise man told me, neva leave the one
That you love to be with the one you like, oh girl should
have listened, you in that position, telling me and
begging me you want to do right, break up to make up,
forgive and forget, and now I just don't feel the Same,
maybe when I'm gone and you spend time alone. you'll
feel my pain... my pain...
