Usually in the morning
I'm filled with sweet belonging
And everything is beautiful to see

Even when it's raining
The sound of heaven singing
Is simply joyful music to me

But sometimes I feel like a sad song
Like I'm all alone without you

So many different places
A million smiling faces
Life is so incredible to me
Especially to be near you
And how it is to touch you
Paradise was made for you and me
Sometimes I feel like a sad song
Like I'm all alone without you
I know that life goes on just perfectly
And everything is just the way that it should be
Still there are times when my heart feels like
breaking
And anywhere is where I'd rather be
Oh, and in the nighttime
I know that it's the right time
To hold you close and say I love you so
To have someone to share with
And someone I can care with
That is why I wanted you to know

Sometimes I feel like a sad song
Like I'm all alone without you....without you
