Perhaps love is like a resting place
A shelter from the storm
It exists to give you comfort
It is there to keep you warm
And in those times of trouble
When you are most alone
The memory of love will bring you home
Perhaps love is like a window
Perhaps an open door
It invites you to come closer
It wants to show you more
And even if you lose yourself
And don't know what to do
The memory of love will see you thru
O love to some is like a cloud
To some as strong as steel
For some a way of living
For some a way to feel
And some say love is holding on
And some say letting go
And some say love is everything
Some say they don't know
Perhaps love is like the ocean
Full of conflict full of change
Like a fire when it's cold outside
A thunder when it rains
If I should live forever
And all my dreams come true
My memories of love will be of you
