He was born in the summer of his twenty seventh year  
coming home to a place he'd never been before.  
He left yesterday behind him, you might say he was  
born again  
might say he found a key for ev'ry door.

When he first came to the mountains his life was far  
away  
on the road and hangin' by a song.  
But the strings already broken and he doesn't really  
care  
it keeps changin' fast and it don't last for long.

But the Colorado Rocky Mountain high  
I've seen it rainin' fire in the sky  
the shadow from the starlight  
is softer than a lullabye

Rocky Mountain high, Colorado Rocky Mountain high,  
Colorado  
He climbed Cathedral Mountains he saw silver clouds  
below  
he saw ev'rything as far as you can see.  
And they say that he got crazy once and he tried to  
touch the sun  
and he lost a friend but he kept his memory.

Now he walks in quiet solitude the forest and the  
streams  
seeking grace in ev'ry step he takes.  
His sight has turned in side himself to try and  
understand  
the serenity of a clear blue mountain lake.

And the Colorado Rocky Mountain high  
I've seen it rainin' fire in the sky  
talk to God and listen to the casual reply

Rocky Mountain high, Colorado  
Rocky Mountain high, Colorado

Now his life is full of wonder but his heart still knows

some fear  
of a simple thing he cannot comprehend.  
Why they try to tear the mountains down to bring in a  
couple more  
more people more scars upon the land.

And the Colorado Mountain high  
I've seen it rainin' fire in the sky  
I know he'd be a poorer man  
if he never saw an eagle fly.

Rocky Mountain high,

It's a Colorado Mountain high  
I've seen it rainin' fire in the sky  
friends around the campfire  
and ev'rybody's high

Rocky Mountain high, Colorado  
Rocky Mountain high, Colorado  
Rocky Mountain high, Colorado  
Rocky Mountain high, Colorado
