Of course, we have our diff'rences,  
you shouldn't be surprised  
It's as natural as changes in the seasons and the skies.  
Sometimes we grow together, sometimes we drift  
apart;  
A wiser man than I might know the seasons of the  
heart.  
And I'm walking here beside you, in the early evening  
chill,  
A thing we've always loved to do, I know we always will.  
We have so much in common, so many things we  
share,  
That I can't believe my heart when it implies that you're  
not there.

Love is why I came here in the first place  
Love is now the reason I must go,  
Love is all I ever hoped to find here,  
Love is still the only dream I know

So I don't know how to tell you, it's difficult to say,  
I never in my wildest dreams imagined it this way,  
Sometimes I just don't know you, there's a stranger in  
our home;  
When I'm lying right beside you is when I'm most alone  
And I think my heart is broken, there's an emptiness  
inside,  
So many things I've longed for have so often been  
denied.  
Still I wouldn't try to change you, there's no one that's  
to blame,  
It's just some things that mean so much, we just don't  
feel the same.

Love is why I came here in the first place  
Love is now the reason I must go,  
Love is all I ever hoped to find here,  
Love is still the only dream I know  
True love is still the only dream I know.
