Lost and alone on some forgotten highway  
Traveled by many remembered by few  
Lookin' for something that I can believe in  
Lookin' for something that I'd like to do with my life

There's nothin' behind me and nothin' that ties me to  
Something that might have been true yesterday  
Tomorrow is open and right now it seems to be more  
than enough  
To just be here today and I don't know

What the future is holdin' in store  
I don't know where I'm goin' I'm not sure where I've  
been  
There's a spirit that guides me, a light that shines for  
me  
My life is worth the livin', I don't need to see the end

Sweet, sweet surrender, live, live without care  
Like a fish in the water, like a bird in the air
