Well life on the farm is kinda laid back  
Aint much an old country boy like me cant hack  
Its early to rise, early in the sack  
Thank God Im a country boy

Well a simple kinda life never did me no harm  
A raisin me a family and workin on a farm  
My days are all filled with an easy country charm  
Thank God Im a country boy

Well I got me a fine wife I got me a fiddle  
When the suns comin up I got cakes on the griddle  
Life aint nothin but a funy funny riddle  
Thank God Im a country boy

When the works all done and the suns settlin low  
I pull out my fiddle and I rosin up the bow  
The kids are asleep so I keep it kinda low  
Thank God Im a country boy

Id play Sally Goodin all day if I could  
But the Lord and my wife wouldnt take it very good  
So I fiddle when I could, work when I should  
Thank God Im a country boy

Well I got me a fine wife I got me a fiddle  
When the suns comin up I got cakes on the griddle  
Life aint nothin but a funy funny riddle  
Thank God Im a country boy

Well I wouldnt trade my life for diamonds and jewels  
I never was one of them money hungry fools  
I'd rather have my fiddle and my farmin tools  
Thank God Im a country boy

Yeah, city folk drivin in a black limousine  
A lotta sad people thinkin thats mighty keen  
Son, let me tell ya now exactly what I mean  
Thank God Im a country boy

Well I got me a fine wife I got me a fiddle  
When the suns comin up I got cakes on the griddle

Life aint nothin but a funy funny riddle  
Thank God Im a country boy

Well, my fiddle was my daddys till the day he died  
And he took me by the hand and held me close to his  
side  
Said, Live a good life and play my fiddle with pride  
And thank God youre a country boy

My daddy taught me young how to hunt and how to  
whittle  
Taught me how to work and play a tune on the fiddle  
Taught me how to love and how to give just a little  
Thank God Im a country boy

Well I got me a fine wife I got me a fiddle  
When the suns comin up I got cakes on the griddle  
Life aint nothin but a funy funny riddle  
Thank God Im a country boy
