Whose garden was this?  
It must have been lovely.  
Did it have flowers?  
I've seen pictures of flowers,  
But I'd love to have smelled one.  
Tell me again I need to know  
Forests had trees, meadows were green,  
oceans were blue, and birds really flew.  
Can you swear that it's true?  
Whose gray sky was this?  
Or was it a blue one?  
Did it have breezes?  
I've heard records of breezes,  
But I'd love to have felt one.  
Tell me again I need to know  
Forests had trees, meadows were green,  
oceans were blue, and birds really flew.  
Can you swear that it's true?  
Whose river was this?  
You say it ran freely.  
Blue was its color.  
I've seen blue in some pictures,  
But I'd love to have been there.  
Tell me again I need to know.  
Tell me again I need to know.  
Tell me again I need to know.  
Tell me again I need to know.
