We were like one, you and I
Yeah we were perfect
Thought we could fly
We used to laugh
For you I'd die
Stuck in a fairytale, I need to come alive

I'm feeling stupid, I saw the signs
And now I stand here with watered eyes
We were like one, you and I
I can't believe that I lived a lie

[Chorus]:
But something that you said
Took my heart away
Now get out of my head
Leave - just go away
This can't be true love, whoa
This can't be true love, no

We can't take it back, time to let it go
No more holding on
Oh you got to know
This can't be true love, whoa
This can't be true love, no

I was your Bonnie, you were my Clyde
Were were inseparable, you let me hide
This song kept playing, it wouldn't stop
The party's over, I think I've had enough
I'm feeling stupid, I should've known
And now I'm standing here all alone
What ever happened to you and I?
I can't believe that I lived a lie

[Chorus]:
But something that you said
Took my heart away
Now get out of my head

Leave, just go away
This can't be true love, whoa

This can't be true love, no

We can't take it back, time to let it go
No more holding on
Oh you got to know
This can't be true love, whoa
This can't be true love, no

All the ladies, can you hear me?
This can't be love!
All my 'fellas, can you feel me?
This can't be love!
If you're feelin' kind of empty
This can't be love!
Scream it loud and sing it with me!
This can't be love!

[Chorus]:
Something that you said
Took my heart away
Now get out of my head
Leave, just go away
This can't be true love, whoa
This can't be true love, whoa

We can't take it back, time to let it go
No more holding on
Oh, you gotta know
This can't be true love, whoa
This can't be true love, no

Whoa
No, this can't be love
This can't be true love
(true love)(whoa)(whoa)
This can't be true love, no
No, no, no, no
No, no, no, no
