Welcome Overboard Lyrics

Hey vanity

You missed the fashion trend today

Is all so tragic, in this world

We don't fit in (fit in)

We don't fit in (fit in)

Fit in (fit in)

And you will

Carry another heart

It takes us anywhere

Bored, with our heads hanging

An our creativity stolen

Were gonna try, to find, a new way

These old manners, And customs

Must end right here (right now)

Must end right here (right here) (right now)

A New World carried in our heart

It takes us anywhere

A New World

It takes us anywhere, anywhere

We want

We know this feels all fake

We know this feels all fake

Here it comes again

Rock and roll take over

A New World

Carried in our heart

It takes us anywhere

A New World

It takes us anywhere, we want

So lets play

The day away

It takes us anywhere

So lets play

The day away

The day away
