[Hook]

Good lookin', so refined
Say wouldn't you like to know what's going on in my
mind?
So let me get right to the point
I don't pop my cork for every guy I see
Hey big spender
Spend, a little time with me

[Verse 1: theophilus london]

This here is givenchy, 900 dollar jeans homie
All these girls be raunchy, like let me see your peen
homie
She tryna cause a scene, but I'm in paris with my team
Walking slow like I'm on lean, damn a nigga jewelry
look so clean
I occasionally ball in lanvin, I ain't talking 'bout jim
jones
Nigga, I'm talking 'bout hooping up, expensive shirt,
breaking bones
Fuck yo rolex, roll up homie, roll that kush, blow that
homie
Oh stop that, the po-po on me, uh shit out the window
We just getting saucy in aussie, we bossy
Tryna bring back the term bling bling cause we flossy
You brought snapbacks back, well that's a cool
accomplishment
I'm on the other side, on another globe on a
conference

[Verse 2: a\$ap rocky]

Fuck that shit I'm too throwed, pretty nigga my jewels
gold
Pinky ring and my tooth gold, your main bitch is my
new hoe
Boss nigga like hugo, rolex or the hublot
Niggas taking my screw flow, they tryna jack it like new
clothes
Purple drank make me move slow, same shit, different

day
Spanish bitch, she sniffing yay, she say (yuuup!) that
trigga trey
Like hit that strip, I'm flipping yay, like fuck that shit, I'm
getting paid
I fuck that bitch, I'm getting laid, I hope that bitch go
different ways
I get 'em wild, I'm getting by, tell 'em roll that shit, I'm
getting high
I'm tipping low, I'm sitting high, this young harlem
motherfucker getting fly
Purple lean, purple weed, got that shit, nigga what you
need?
Me and theo had a trio with these bitches from belize

So let me get right to the point-

[Verse 3: theophilus london]

Fuck that
Home boy, I'm never home, I'm not even in my
continent
In a town, I can't pronounce this shit, this is more than
confidence
Fuck your continental breakfast, you incompetent
My nickname international, my accent changed by

Yea, we selling out girls, girls money yelling out
Planking cause they bored, nigga need a new hobby,
need a new body
You the biter, you the new hottie, you a stylist, wait in
my lobby
Nigga dance like bobby, tryna get like 2 cribs for my
mommy
That ain't guap, bitch that's wasabi, tell rich I'm the
