Feeling all alone  
Carrying bottled skies around  
I've been drowning all along  
Wear it out in a faltered sea and I give up

Common sense failed again  
Meddling in a foreign sea, foreign tree  
Oh, time spent out in the sun  
Daring me with another choice, another choice

Anymore, I don't know who to fight anymore  
I don't know what is right anymore, anymore  
Anymore, I don't know who to fight anymore  
I don't know what is right anymore, anymore

Anymore, I don't know how to feel anymore  
I don't know what is real anymore, anymore

Anymore, I don't know who to fight anymore  
I don't know what is right anymore, anymore  
Anymore, I don't know how to feel anymore  
I don't know what is real anymore, anymore

Anymore, I don't know who to trust anymore  
I don't know what I want anymore, anymore  
Anymore, I don't know who to blame anymore  
I don't know what to say anymore

I don't know what I want anymore  
Hey, hey, I just don't know anymore  
Hey, hey, I just don't know anymore

Anymore, I don't know who to fight anymore  
I don't know what is right anymore, anymore
