

## Mute Math "Clockwork"

Visit "[Clockwork](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Time is a thief with a loaded gun  
The sky runs by while the days are gone  
The night falls prey to another sun  
All like clockwork they won't stop  
They won't stop  
They won't stop  
They won't stop  
Oh  
Don't stand still or we'll lose our ground  
The world keeps spinning just to wear us down  
Say what you must while we stand around  
The days go to sleep but they won't stop  
They won't stop  
They won't stop  
They won't stop  
Ohhh

We never should allow  
Another sun to set  
And all the words that we have held so long  
I know we're not as strong and though  
Once tomorrow comes  
But tomorrow already happened

Time is a thief with a loaded gun  
The sky runs by while the days are gone  
The night falls prey to another sun  
The days go to sleep but they won't stop  
They won't stop  
They won't stop  
They won't stop  
They won't stop (ooohhhh)  
They won't stop (ooohhhh)  
They won't stop (ooohhhh)  
They won't stop (ooohhhh)  
They won't

We never should allow  
Another sun to set  
And all the words that we have held so long  
I know we're not as strong and though  
Once tomorrow comes

But tomorrow already happened

Tomorrow

Tomorrow

Tomorrow tomorrow oh, ooh

We can wait for the sunrise

To say what should matter

We know but tomorrow, tomorrow,

Tomorrow just happens

Today we have to make the most of now

Tomorrow we don't have a choice

All we ever get control of is now

Today we have to make the most of now

Tomorrow we don't have a choice

All we ever get control of is now
