I don't care what they say  
It's our life life life  
We can dance if we want  
Make it feel alright  
Temperature's rising  
I feel the fire

Tonight, it's just me and you  
Tonight, it's just me and you  
Tonight, it's just me and you...

Tell me baby, will you be here when I wake up

And you don't gotta doubt a second if I miss you  
Everytime I'm with you  
I feel naked  
So I don't care what they say  
It's our life life life  
We can dance if we want  
Make it feel alright  
Temperature's rising  
I feel the fire

Tonight, it's just me and you  
Tonight, it's just me and you  
Tonight, it's just me and you...

And you don't gotta doubt a second if I miss you  
Everytime I'm with you  
Everytime I'm with you  
Everytime I'm with you  
I feel naked
