Serving the time
I walk in shackles across your mind
Dead in the water
I know I've got to convince you why
You should give me one more reason
Give me one more try
Give me one more feeling
Give me one more high
Flower made fool
I keep parading while dressed in brain
Oh, what else can I do
Might as well wait here and take you're break
Just give me one more reason
Give me one more try
Give me one more feeling
Give me one more high
Oh, give me one more healing
Give me one more sign
Oh, give me one more feeling
Give me one more high
I've been changed, I swear I've been changed
Anything for you
Why not for old times, just smile for me
Am I getting through or this just how it's got to be?
Oh, give me one more reason
Give me one more try
Just give me one more feeling
Give me one more high
One more high, high
One more high, high
