Fall out, fall through, fall apart  
The endless cycle once I start  
Plan B, plan C, watch it go  
Crumble into broken hopes

All around, I fall apart and can't you see?  
I'm all around, I'm all apart and can't you see?  
I'm all around, I'm all apart and can't you see?  
I'm all around, I'm all apart and can't you see I'm?

Oh, mend it all, mend it all  
Mend it all, mend it all  
All I've torn, all I've run  
To the ground, broken down

Come mend it all  
Come mend it all  
Come mend it all

Days are slipping through my hands  
I'm holding on in sinking sand  
But to make it worse, I've made a mess  
Can you make any sense of this?

It's all around, I'm all apart and can't you see?  
I'm all around, I'm all apart and can't you see?  
I'm all around, I'm all apart and can't you see?  
I'm falling down, I'm falling apart and can't you see I'm?  
m?

Mend it all, mend it all  
Mend it all, mend it all  
All I've torn, all I've run  
To the ground, broken down

Come mend it all  
Come mend it all  
Come mend it all

Come, yeah can't you come, come, come  
Come mend it all, come mend it all  
Come mend it all, come mend it all

Come mend it all, come mend it all

Come mend it all, come mend it all  
Come mend it all, come mend it all  
Come mend it all, come mend it all

Mend it all, mend it all  
Mend it all, mend it all  
All I've torn, all I've run  
To the ground, broken down

Come mend it all  
Come mend it all  
Come mend it all  
Mend it all, oh mend it all
