

## Mute Math "Spotlight"

Visit "[Spotlight](#)" on MotoLyrics.com

You got a whole lot left to say now  
You knocked all your wind out  
You just tried too hard and you froze  
I know I know

What do you say? (2x)

Just take the fall  
You're one of us  
The spotlight is on  
Ahhhhh aaaaahhh (2x)

Oh the spotlight is on

Ahhhhh aaaaahhh (2x)

You know the one thing you're fighting to hold  
Will be the one thing you've got to let go  
And when you feel the wall cannot be burned  
You're gonna die to try what can't be done  
Gonna stay stay out but you don't care  
Now is there nothing like the inside of you anywhere

Oh just take the fall  
You're one of us  
The spotlight is on

Ahhhhh aaaaahhh (2x)  
Oh the spotlight is on  
Ahhhhh aaaaahhh (2x)  
Yeah it's on

Because everyone would rather watch you fall (All and  
each other)  
And we all are, yeah (All and each other)  
And we all are, yeah (All and each other)  
Just take a fall  
You're one of us

The spotlight is on!  
Ahhhhh aaaaahhh (2x)  
Oh the spotlight is on!

(Just take the fall)  
Now you're one of us  
Now you're, (oh) now you're, (oh) now you're, (oh) now  
you're one of us  
Now you're, (oh) now you're, (oh) now you're one of us  
Oh the spotlight is on  
Ahhhhh aaaaahhh (2x)
