

## Mute Math "Typical"

Visit "[Typical](#)" on MotoLyrics.com

Come on, can I dream for one day  
There's nothing that can't be done  
But how long should it take somebody  
Before they can be someone

'Cause I know there's got to be another level  
Somewhere closer to the other side  
And I'm feeling like it's now or never  
Can I break the spell of the typical, the typical

Now I've lived through my share of misfortune  
And I've worked in the blazing sun  
But how long should it take somebody  
Before they can be someone

'Cause I know there's got to be another level  
Somewhere closer to the other side  
And I'm feeling like it's now or never  
Can I break the spell of the typical, the typical  
The typical, uh huh

I'm the typical  
I'm the typical  
Can I break the spell of the typical

Because it's dragging me down  
I'd like to know about when  
When does it all turn around

I'm just the typical  
I'm just the typical

Yeah, I know there's got to be another level  
Somewhere closer to the other side  
And I'm feeling like it's now or never  
Can I break the spell of the typical, the typical  
The typical, uh huh

Of the typical  
Break the spell of the typical  
Break the spell of the typical  
Can I break the spell of the typical, of the typical

I'm just the typical  
I'm just the typical  
I'm just the typical, 'cal  
I'm just the typical
