hello good morning

(Nicki Minaj)

I just came up in it a little bit self centered
but did i kill a queen
the alexander mcqueen
got the wrist on glow
the bottles is on cold
got that shimmy shimmy yeah shimmy yeah ayou
what the f-ck i look like b-tch i run this town
i aint coming out for less then 100 thou

man last time i checked i was bubblin
out got to turn down shows out in dublin now
wait wait hold up maybe they didnt get that there
like 11 hundred horses when i swithched that gear then
i swerved on em' sorta like i missed that dear
then i press the little button on the sit back ch
air b-tch i do it cuz i do it i got billion dollar credit if u
got a million dollars you could put it up and bet it i just
be like hello hello but i never could salute them young
money i do it for the youth them
