Ayo wiz!

You already know!

Don't you ever leave

Don't you ever go away

I love you, I love you

Yea, I'm begging you, don't you leave,

(Why you wanna go and leave, babe)

I'm begging you, don't you go

You've got my heart, you've got my heart, you've got  
my heart

(Check this out)

I know I f-cked up, I know I f-cked up

I know I f-cked up yeah

(I'm sorry baby)

Baby I need you, baby I need you, yeah

I need you baby yeah

[Diddy]

But now you're gone

And I'm forced to deal with your absence,

All alone in this madness,

All alone on my mattress,

Don't know how the hell did this happen

You knew loving me was a hazard,

Outcome of my actions.

I wish we could go backwards,

Go back a couple of chapters,

Back when there was laughter,

Back when we first met,

Before we came such a disaster,

Before your heart got shattered,

Before I forgot how much you mattered

Crazy we don't realize what we have until after.

We no longer have it

Don't you ever leave!

Don't you ever go away! (Don't you leave, don't you go)

I love you, I love you!

Yea, I'm begging you, don't you leave,

(Got me f-cked up girl)

I'm begging you, don't you go!

You've got my heart, you've got my heart, you've got  
my heart!  
(Ayo wiz)

[Wiz]  
You say you're out the door,  
You're out the door,  
You sick and tired can't take no more,  
Can't take no more!  
You know the game,  
And tried to play it time and time before,  
Told me you don't got time to waste  
So hey, you got to go, you got to go!

Cant help of think of you when I'm alone,  
Tried and failed, I call your cell, you don't pick up your  
phone,  
Guess that what you really mean you meant just what  
you said,  
You said just what you meant,  
Getting all this bread but it don't mean sh-t,  
F-ck the dough I get, plus the dough I spend,  
Darling just

Don't you ever leave!  
Don't you ever go away! (Don't you ever go huuuhhh)  
(And throw it away, hear them people talking 'bout us  
Yea, them ?)  
I love you, I love you!  
Yea, I'm begging you, don't you leave,  
Yea, I'm begging you, don't you go!  
You've got my heart, you've got my heart, you've got  
my heart!

[Chris]  
Hey superstar,  
There's a raincloud above my heart  
And it's only because of you  
I knew it from the very start  
But I'm not a complainer  
(No, no!)  
And that's the least of my problems today but  
Looking at my heart I'll give it away babe  
And I'ma honor and cherish our place  
Baby...

Don't you ever leave!  
Don't you ever go away!  
I love you, I love you!  
Yea, I'm begging you  
(I'm begging you baby)

Don't you leave,  
I'm begging you, don't you go!  
You've got my heart, you've got my heart, you've got  
my heart!  
I know I f-cked up, I know I f-cked up!  
I know I f-cked up yeah  
Baby I need you, baby I need you, yeah!  
I'm begging you, don't you leave,  
I'm begging you, don't you go!  
You've got my heart, you've got my heart, you've got  
my heart!

Yeah  
Aww no, no you do  
Aww no, no you do  
Yeah  
I love you!
