ok now, ok now
oh oh..
oh oh..

i'm outta my mind
losing my head
running outta time
but i won't run out of love (oh oh)
i've been near and far all over the world
wherever you are
i know i'm gone find my love (oh oh)

somewhere round the world i know you're out there
but i won't sleep until you're right here next to me
(where you at? where you at? ok now) (oh oh)
(where you at? where you at? ok now)
just want you to know that i'll be right here
trapped inside your love and i don't wanna be set free
(where you at? where you at? ok now) (oh oh)
(where you at? where you at? ok now)

although we're apart
you don't need a key
i'll open my heart
i want you to have my love (oh oh)
i know it's my fault
cos i had to leave
but i'm incomplete if you don't have my love (oh oh)
until then i'll be searching

somewhere round the world i know you're out there
but i won't sleep until you're right here next to me
(where you at? where you at? ok now) (oh oh)
(where you at? where you at? ok now)
just want you to know that i'll be right here
trapped inside your love and i don't wanna be set free
(where you at? where you at? ok now) (oh oh)
(where you at? where you at? ok now)

i don't care how long it takes

i know you're far away

but time and distant won't change my love for you now
ok, ok, ok now
because i'm lost in your love
and i don't wanna find a way out
because my heart calls your name
one day i'll see your face
i know you're out there

somewhere round the world i know you're out there
but i won't sleep until you're right here next to me
(where you at? where you at? ok now) (oh oh)
(where you at? where you at? ok now)
just want you to know that i'll be right here
trapped inside your love and i don't wanna be set free
(where you at? where you at? ok now) (oh oh)
(where you at? where you at? ok now)

somewhere round the world i know you're out there
but i won't sleep until you're right here next to me
(where you at? where you at? ok now) (oh oh)
(where you at? where you at? ok now)
just want you to know that i'll be right here
trapped inside your love and i don't wanna be set free
(where you at? where you at? ok now) (oh oh)
(where you at? where you at? ok now)

wish on a star
look to the heavens
you got my heart
won't nothing take my love away
but your love
(ok now)
when i'm where you are
it feels like heaven
you got my heart
i'll never take my love away
ok now (ok now)
