Ladies and Gentlemen

I'm here to tell you that this is a brand new sound

This will change your lives

All you gotta do is turn your shit up

All you gotta do is turn your shit up

It's what you want

It's what you need

It's what you get

It's what you like

It's the Dirty Money

Girl, when you're everything

Girl, when you're shooting star

Girl, when you're backbone

But now I'm too far away

You wouldn't be there alone

My love wouldn't be a doom

We wouldn't be staring out the window

Guessing which way the wind blows

You would be loving me, holding me

Treating me better than before

Yeah, yeah, yeah, yeah, you would

Yeah, yeah, yeah, yeah, you would

You're just so damn selfish, nervous and jealous

You would be loving me, yeah you would

Yeah, yeah, yeah, yeah, you would

Yeah, yeah, yeah, yeah, you would

Yeah, come on, oh, who was your number one?

Who had niggers at the [Incomprehensible]

Got my hand on my gun

As I'm sittin', drinkin' and thinkin' I love you, you

should've had my son

Got me losin' my mind

All alone in my room, starin' at your picture like I'm

doin' time

I know lovin' is hard

But the farther you are, I wake up [Incomprehensible]  
Sex for the mental

If I was the only one, would I be your mistress?  
But now I'm too far to play  
Now you take the blame along, love wouldn't be free to  
roam  
We would be prisoners of the sheets, maybe be I'll your  
capture

You would be loving me, holding me  
Treating me better than before  
Yeah, yeah, yeah, yeah, you would  
Yeah, yeah, yeah, yeah, you would

You're just so damn selfish, nervous and jealous  
You would be loving me, yeah, you would  
Yeah, yeah, yeah, yeah, you would  
Yeah, yeah, yeah, yeah, you would

All I wanted was your lovin'  
You keep tellin' me, you wouldn't be happy  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah

You wouldn't let me ruin my heart  
Honey, this is, oh, so good  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah  
(Yeah, yeah, yeah, yeah, you would)

You would be loving me, yeah  
Yeah, yeah, yeah, yeah, you would  
Yeah, yeah, yeah, yeah, you would  
Yeah, yeah, yeah, yeah, you would  
Yeah, yeah, yeah, yeah, you would
