Baby's on fire

Boom

Boom, Boom

Showtime, motherfucker, it's on  
Apocalypse now, I'm droppin' this bomb  
You can't fuck with this song  
I'll stick to this spliff, I'm not klapping this bong  
I'm a wild child, I don't wanna go to bed  
Oh, shit, sorry man, I'm stoned again  
Ooh, now everythings getting so psychedelic  
When I'm doos drunk then I forget all my fokken lyrics  
Like um, uh, who gives a fuck?  
Don't worry 'bout it, just blow a kiss to me  
I like danger, romance and mystery  
I'm a lucky ducky, get mad shit for free  
I rock more bling then Mr. T  
I make it look easy 'cause it is to me  
My daddy says it's lekker fokken spif to see  
A South African cherrie makin' history

Baby's on fire

She's got me going fokken crazy soos a mal naaier  
O jirre God se Jesus

Baby's on fire

Hi-Tek, drop that four to the floor  
I get real paid, what you think I do this for?  
My bodyguard help me get to the bar  
Neill Blomkamps makin' me a movie star  
A lot of bad boys wanna piece of me  
If you're a lucky boy I'll let you sneak a peek  
My Zef styles motherfuckin' freaky-deek  
I don't got beef 'cause I don't eat no meat  
I'm on some other shit, yo, I know I speak unique  
Fuck your whole shit up when I freak the beat  
I love it when Kimmy talks sweet to me  
C'mon, c'mon, Kimmy, Kimmy, speak to me  
I take a trip down memory lane  
Like yo, fuck fifteen seconds of fame

I'm a young blood comin' up fresh in the game  
Yo-Landi Vi\$ser, motherfucker, ja remember the name

Baby's on fire  
She's got me going fokken crazy soos a mal naaier  
O jirre God se Jesus

Baby's on fire

Aaah, freak out!  
No need to get so deep  
Nothin' quite like a motherfuckin' techno beat  
A techno beat - a techno beat  
A techno - a techno - a techno beat  
Just say what's up, don't try to get so deep  
You know me, maar ek ken jou nie  
Ek ken jou nie - ek ken jou nie  
Ek ken jou - ek ken jou - ek ken jou nie

Baby's on fire  
She's got me going fokken crazy soos a mal naaier  
O jirre God se Jesus

Baby's on fire

Flame on, motherfuckers
