Aai, aai, aai
I am your butterfly
I need your protection
Be my samurai

Aai, aai, aai
I am your butterfly
I need your protection
Need your protection

I'm a ninja, yo, my life is like a video game
I maintain when I'm in the zone
One player, one life on the mic, limited time

Go ninja, go, no fuckin' around
I'm cutting down anyone in my path
Trying to fuck up my game
With razor sharp lyrical throwin' stars

Jirre my flow's hot
Hostile, wild out of control
Ninja skop befokte rof taal
Rough rhymes for tough times

Met fokkol kos, skraal
Till I hit triple 7 at the ATM
Straight famine or feast
When you living on the razor edge
Stay sharp sharp

Rolling with the SOS high-energy
You never seen zef so fresh, uh, when we mic check
Hi-tek flows flex, yo we optimistik
Not fuckin' depressed, we not like the rest

My style is UFO, totally unknown
You can't fuck with my new zef flow
I'm hard to miss, you can't do this, you can't do that

Yo fuckin who said so? I do what I like
Too hot to handle, too cold to hold
You can't fuck with the chosen one

I want to knife you, I'm a ninja

Aai, aai, aai
I am your butterfly
I need your protection
Be my samurai

Aai, aai, aai
I am your butterfly
I need your protection
Need your protection

Aai, aai, aai
I am your butterfly
I need your protection
Be my samurai

Aai, aai, aai
I am your butterfly
I need your protection
Need your protection

Ninja is poes cool
But don't fuck with my game boy
Or I'll poes you, life is tough
When I get stuck and my time is up

I push through, till I break, break, break
On through to the other side
Fantastically poor with patience like the stalker

Ninja is hardcore
Been cut so deep feel no pain
It's not sore, don't ask for kak
Or you'll get what you ask for

I'm like a wild animal in the corner
Waiting for the break of dawn
Trying to get through the night
Just a man with a will to survive

My blades swing free, decapitate a hater
With amazing ease, this is not a game boy
Don't play with me, I work my mic-saber
Like a wild fuckin' savage from the dark side danger

Yin to the yang, totally Hi-Tek
Ninja's motherfucki big in Japan
I've seen the future
But I never got nothing in my hand
Except a microphone, big dreams and a plan

Fly-talking, sky-walking like a ninja

Aai, aai, aai
I am your butterfly
I need your protection
Be my samurai

Aai, aai, aai
I am your butterfly
I need your protection
Need your protection

Aai, aai, aai
I am your butterfly
I need your protection
Be my samurai

Aai, aai, aai
I am your butterfly
I need your protection
Need your protection

Fuck, this is like
The coolest song I ever heard in my whole life
Fuck all of you who said I wouldn't make it

They said I was a loser
The said I was a no one
They said I was a fuckin' psycho

But look at me now
All up on the interweb
Worldwide, 2009
Futuristic, enter the ninja
