Yo-landi f0kken Vi\$\$er all up in the place  
Ho\$h pagamisa! raak fokken wys  
Fuck crime these days, rhyme f0kken pays  
Fan myself with a milli  
While i laugh in your face!

F0k julle naaiers, f0k julle naaiers  
F0k julle, f0k julle, f0k julle naaiers

All my f0kken life i lived a normal f0kken life  
Till i went and got myself caught up with the mic  
And the beast, coming dope with the rhymes and the  
flows  
A real life trying to cope with the highs and the lows  
I got sick and tired of getting treated like a stupid fuck-  
up  
So i fucked my enemies up one time and blew the f0k  
up  
Before it was like 'yo, who's that stupid weirdo?'  
Now it's like 'it's a new breed, a rap superhero'  
To defeat these devils, Ninja becomes a devil  
These god-forsaken wretches will never be on my level  
"wies jy!", f0k you and your whole crew  
I got you stressin', double guessin'  
Cause i won't do what i'm supposed to  
I don't know you, poppie say hello to...  
My little two friends, i'm telling you and i told you  
WHAT? you try to speak but your tongue's frozen  
In South Africa i sleep with both my eyes open

F0k julle naaiers, f0k julle naaiers  
F0k julle, f0k julle, f0k julle naaiers

Motherfuckers tell me to slow my role  
But sorry, no can do, my style is so brand new  
I try to make you understand it  
I'm here to steal the f0kken show  
Cause baby, i'm a bandit  
Now you're standing looking at me  
Like the aliens have landed  
"all hail the great white ninja!"  
Every p0es with a phone wants to take my picture

'ninja? jas i dig that oke!  
'is it real? no, it's just a big black joke!"  
When dealing with an idiot there's really nothing you  
can say  
Next time you ask me is it real  
I'm gonna punch you in the face  
To help you feel me, bitch i get paid to be funky  
Be nice or i'm gonna change to be ugly  
I'm zef like a young Hugh Hef, oh yes  
May my enemies live long so they can see me progress  
Put the pedal to the metal  
And i'm scorching my tires  
Middle finger in the air  
Yeah, F0K JULLE NAAIERS!

F0k julle naaiers, f0k julle naaiers  
F0k julle, f0k julle, f0k julle naaiers
