I don't need you  
I don't need you  
You're like see through  
I don't see you

I don't need you  
I don't need you  
You're like see through  
I don't see you

I don't need you  
I don't need you  
You're like see through  
I don't see you

I don't need you  
I don't need you  
You're like see through  
I don't see you

I'm a playa  
Folding paper  
From the golden acre  
To the overseas  
Move over please

The over taker  
Hot boude shaker  
The fucking answer  
The fucking last year

Dit was lekker maar dis nou klaar  
You got your pat on the back  
But you can't fuck with  
The rising talent of rap

Don't speak to me  
Did somebody say something  
With the bass pumping  
The place jumping?

I don't need you

I don't need you  
You're like see through  
I don't see you

I don't need you  
I don't need you  
You're like see through  
I don't see you

Butt  
Fuck all  
Exactly  
Yeah, you're nasty  
Yeah, I'm nasty

I've got the ice cream  
Cherry Yogurt  
Yeah, you know it  
You want a lick of my ice cream

Suck  
I'm a lucky ducky  
I think your sucky-fucky  
Don't speak to me

Did somebody say something  
With the bass pumping  
The place jumping?

I don't need you  
I don't need you  
You're like see through  
I don't see you

I don't need you  
I don't need you  
You're like see through  
I don't see you

The all are masa  
They been down with us  
So stay one  
I fucking love you

Though all the other ones  
With no fucking face  
I don't love you  
I'm above you

I don't need you  
I don't need you

You're like see through  
I don't see you

I don't need you  
I don't need you  
You're like see through  
I don't see you

I don't need you  
I don't need you  
You're like see through  
I don't see you

I don't need you  
I don't need you  
You're like see through  
I don't see you

But disown your fuckin' self
