

## Die Antwoord "Revelation"

Is love pain?  
Fortune paralysed by fear?  
The quest of deepest darkness  
Although the creature strives for the light.

Love, depraved mysterium ..... revelation?  
Are we falling into the most tremendous of all storms  
Can eternity only mitigate  
The crown of creation rose to rule to be subject.

The beast has left us  
Gaja will be the judge  
Love, depraved mysterium ..... Revelation ..... Downfall  
Love, depraved mysterium ..... Revelation .....  
Downfall!
