Hello baby  
You're beautiful  
I love you  
What's your name?

Bitch  
You make a Ninja wanna fuck, bitch, you make a Ninja  
wanna fuck  
You make a Ninja wanna fuck, bitch, you make a Ninja  
wanna fuck  
You make a Ninja wanna fuck, bitch, you make a Ninja  
wanna fuck  
You make a Ninja wanna fuck, bitch, you make a Ninja  
wanna fuck  
Know what I'm saying? Uh

I don't give a fuck, I'm a animal  
Smile for the camera, then grab my balls  
Backstage, just boobs and escarole  
Feel like a kid in a mother fucking candy store  
My manly, yo, come in handy, yo  
Don't mean something for the fancy hoes  
With the nicest asses,  
Slanging them backstage passes,  
Clink them Champagne glasses  
I'm living in a man's world  
It's been cool, feel a little bit of fan girls  
Pick one, slang a little bit of chit chat  
Let me see where this mother fucking shit's at  
You got a boyfriend? Don't worry, I won't tell  
Let's fuck off to five star hotel  
Sorry guy, chicks dig big dicks  
? girl, room six six six

REFRAIN

We keep it gangsta, put your fucking hands up  
Rolling in the map like "?"  
?  
DVD player on my dashboard pumping freaky boom  
WhileÂ ?Â ? keep you warm  
My lifestyle's wild, I party in the ghetto

Don't fuck with me, they'll find your body in a meadow  
Got friends in low places, dark friends with no faces  
The dark sneaks with no laces, no choppies, no front  
teeth  
Ninja's a mother fucking bad boy  
Does everything, girls know what I'm speaking about  
Typical girl, don't start chickening out  
You look real cute with my dick in your mouth

#### REFRAIN

Smack my chest, smack my chest,  
Smack my mack-my-mack-my chest.  
Smack my chest, smack my chest,  
Smack my mack-my-mack-my chest.  
Smack my chest, smack my chest,  
Smack my mack-my-mack-my chest.  
Smack my chest, smack my chest,  
Smack my mack-my-mack-my chest.  
Are you my new drug?

I think we're alone now  
There doesn't seem to be anyone around  
So pump that big booty to the bass  
Rub them sweet boobies in my face  
Whatcha looking at? Told you it's big!  
Wat kyk jy, that's on my dick, uh  
It's about that time, money  
Slide my schlong up against?  
Sure?, uh, say my name, bitch  
Ninja! Ninja!  
Zefside Ninja, spit so slick  
I rap so good, cuz my dick's so big  
? mother fucking penis  
Switch the fucking lights off, all I wanna hear is

Smack my chest, smack my chest,  
Smack my mack-my-mack-my chest. x4  
Are you my new drug?

Smack my chest, smack my chest,  
Smack my mack-my-mack-my chest. x4  
Are you my new drug?
