â€œHello baby,  
You're beautifulâ€œ I love youâ€œ  
What's your name?

[V1]

I don't give a fuck, I'm an animal  
Smile for the camera, though grab my balls  
Backstage, just boobs and ass galore  
I feel like a kid in a mother-fucken' candy store

... fancy ho  
Flippin' asses, arses, slinging them backstage passes  
Clink! Them champagne glasses  
I'm living' in a man's world  
It's been cool foolin' with the fan girls  
Pick one, slang em' with the chit chat?  
Let me see where this mother-fuckin' shit's at?  
You got a boyfriend?? Don't worry I won't tell?  
Let's fuck off to a five star hotel  
Swear to God; chicks dig big dicks  
Sip n'then go to room 666, Bitch!

[Hook]

Bitch, you make a Ninja wanna fuck, bitch  
U make a Ninja wanna fuck â€œ  
U make a Ninja wanna fuck, bitchâ€œ  
U make a Ninja wanna fuck â€œ  
U make a Ninja wanna fuck, bitchâ€œ

U make a Ninja wanna fuckâ€”  
You know what I'm sayin', uh

[V2]

We keep gangsta?  
Put ya fuckin' hands up  
Rollin' in a matte black - Subaru!

DVD playing' on my dashboard, pumping freaky porn  
Vodka in my OJ?keep me warm  
Mal laugh starts while the party in the ghetto  
Don't fuck with me, they'll find your body in a meadow.  
Got friends in low places, dark friends with flou faces?  
The dark sneaks with no laces

Think I'm just a mother-fucken bad boy  
The lucky thing, girls know what I was thinking about  
Typical girls don't start..  
You look real cute with my dick in your mouth, Bitch!

[Hook]

U make a Ninja wanna fuck â€”

There doesn't seem to be anyone around

So bump that big bootie, get to blaze?

Set up them sweet boobies in my face
