(Don McGlashan)

Full fathom five

Someday I'll lie

Singing songs that come

>From dead men's tongues

Anchor me, anchor me

As the compass turns

And the glass it falls

Where the storm clouds roll

And the gulls they call

Anchor me, anchor me, anchor me

Anchor me

In the middle of your deep blue sea, anchor me

Anchor me

In the middle of your deep blue sea, anchor me

Anchor me, anchor me

Let the salt spray lash

The shivering skin

Where the green waves crash

And the whirlpools spin

Anchor me, anchor me, anchor me

Anchor me

In the middle of your deep blue sea, anchor me

Anchor me

In the middle of your deep blue sea, anchor me

Anchor me

Where the Banshees cry

And the bells they sound

When you lift me high

When you pull me down

When you pull me down

When you pull me down

Anchor me

In the middle of your deep blue sea, anchor me

Anchor me

In the middle of your deep blue sea, anchor me

Anchor me, anchor me

Anchor me, anchor me

In the middle of your deep blue sea, your deep blue
sea

In the middle of your deep blue sea, your deep blue

sea
Anchor me, anchor me
Anchor me
Anchor me
Anchor me
