Through falling leaves  
I pick my way slowly  
Talking aloud  
Eases my my mind

Sunlight filters through  
I fell my head is drifting  
So full of thoughts  
I've thought of

What am i gonna do  
I need some thoughts that are new

Do do do do dodo dodooo  
Do do do dodo dooo  
Do do dit do do do ditdo dooo  
Nature into me!

Up in a tree  
A bird sings so sweetly  
Nature's own voice  
I hear

Rustling rustling leaves  
Turning breeze to speech  
Call to me now  
Ease my mind

I'll turn something new  
Minds layed with dew

Do do do do dodo dodooo  
Do do do dodo dooo  
Do do do do do do ditdo dooo  
Nature into me! (Yeah!)

I'll turn something new  
Minds layed with dew

Do do do do dodo dodooo  
Do do do dodo dooo

Do do do do do do ditdo dooo  
Nature into me! (Yeah!)

Do do do do dodo dodooo  
Do do do dodo dooo  
Do do do do do do ditdo dooo
