I'm not that type of girl  
I'm not that type of girl  
I'm not that type of girl

What do you think I am  
Some kind of one night stand  
Big bam, thank you ma'am  
Just hit it and quit it  
No, baby, you better go somewhere else honey  
Not here you won't, uh uh

I met you on the dancefloor  
A time I'll never forget  
You took me home and opened up my front door  
I felt no regrets  
Turn me in, turn me out  
You make me wanna shout  
Oh, it feels so good!

My first time, blew my mind  
You know that I ain't lyin'  
You were mine and I was yours  
Anytime you want me to

Sexbox, sexbox  
Is that what I am to you?  
Sexbox, sexbox  
Come on baby, ooh ooh be doo

Menace Rap:  
Yo, baby, giving me the runaround  
I didn't know if was your first time gettin' down  
On the dancefloor, you had my guessin'  
Serious first-time impression  
I thought sex was all you wanted  
It seemed to me you were trying to flaunt it  
But maybe I made a mistake  
And it was me who was on the take

Last night laying in my bed  
Thinking and dreaming of you

Real tight, holding on my head,  
Thinking what I had to do  
All night, felt like a child without a toy  
Got nobody to play with me  
Hey you! Come on over, boy  
Give me what you know that I need

Sexbox, sexbox  
Is that what I am to you?  
Sexbox, sexbox  
Come on baby, ooh ooh be doo

Menace Rap:  
It all started with a friendly kiss  
Moved your lips, I couldn't resist  
I really didn't mean to hurt your feelings  
By giving you any misdealings  
I wasn't feeding you just a line  
I never promised to make you mine  
Don't confuse sex with love baby  
Or it will drive you crazy  
You're comin' at me with an attitude,  
Tellin' me that I'm so rude?  
Don Juan is my middle name  
I'm never gonna chill out with one dame  
So cool out, stop makin' a fuss  
I really don't need to hear you cuss  
Askin' me for diamond rocks  
When all I want's your sexbox

I'm not that type of girl  
I'm not that type of girl  
I'm not that type of girl

You can't have it  
You can't have it  
Don't wanna  
Don't wanna be your sexbox

Menace Rap:  
So you say you want respect?  
Well, baby, that's what you'll get  
I can tell it's no surprise by looking into your eyes  
Hypnotize and mesmerize and tantalize and realize  
Your body is so fine  
I wanna make you mine

A little harder  
A little harder

I don't want

I don't wanna be  
I don't wanna be your sexbox

Well, you know, there's more to me than by body  
Yeah, that's right, I got a mind too  
And what about my soul

I don't want  
I don't wanna be  
I don't wanna be your sexbox

I don't want  
I don't wanna be  
I don't wanna be your sexbox

You can't have it

I don't want  
I don't wanna be  
I don't wanna be your sexbox

That's right  
You can't have it  
That's right

I'm not that type of girl  
I'm not that type of girl  
I'm not that type of girl

I don't want  
I don't wanna be  
I don't wanna be your sexbox

I don't want  
I don't wanna be  
I don't wanna be your sexbox

I don't want  
I don't wanna be  
I don't wanna be your sexbox

A little harder

I don't want  
I don't wanna be  
I don't wanna be your sexbox

I don't want  
I don't wanna be  
I don't wanna be your sexbox

I don't want  
I don't wanna be  
I don't wanna be your sexbox

I don't want  
I don't wanna be  
I don't wanna be your sexbox

Like a sex machine  
That's right

I don't want  
I don't wanna be  
I don't wanna be your sexbox

I don't want  
I don't wanna be  
I don't wanna be your sexbox
