Hey there, my friend
Tell me, how have you been?
I've been away for a little while
But now I'm back again
Well, let me tell you
So much has happened to me
I feel like my world's been turned around
If you look closely, you will see

Got a new attitude
It's one of gratitude
'Cause the Lord has shown
His love to me
Got a new attitude
I tell you, I feel brand new
And my heart is really free, it's true
I got a new attitude

Check it out and you will see
that I'm right
I never knew what love could do
'til Jesus changed my life
I have more joy now than I've
ever known before
If you remember how I was, you won't
be able to ignore

Got a new attitude
It's one of gratitude
'Cause the Lord has shown
His love to me
Got a new attitude
I tell you, I feel brand new
And my heart is really free, it's true
I got a new attitude

Do you remember how I was, cuz?
I bet you do, because it wasn't
all that long ago
That me and you and all the cats
in the 'hood
Were hanging tough and talking rough

And doing stuff we weren't
supposed to do
But now you see that I'm not like that anymore
I've got a different way of thinking
And I'm sure that if you want
to see a totally re-born
Transformed and righteous dude
Yo, I got a new attitude

Got a new attitude
It's one of gratitude
'Cause the Lord has shown
His love to me
Got a new attitude
I tell you, I feel brand new
And my heart is really free, it's true
I got a new attitude
