We third coast born but we always Texas paid(This is the way we ball)

All Our Chevys Low, Bust them to da Floo  
I represent the Mexicans ballin with all their dough(This is the way we ball)

Money stacked in rows, Make my own TV show

[Lil' Ruiz]

I'm Lil' Ruiz, I'm back on da lead, Mexican King  
Brand new ring, same old meat  
I'm still sippin drinks, still disturbing the peace  
I love wearin Gold, but my favorite color Blings  
I'm hoppin out parties, my house is one story  
Bill Gates still owe me one dollar and forty  
The people were faurting, for real I was choking  
The Asians were fine, yeah they made me kinda horny  
But that's another story, let's get back to the topic  
Right now me and NASA negotiatin bout some rockets  
We might bust on comets - say it, I bought it  
If you see me and fought me, you kill me, you done it  
This is for my homiez, Rios and his crew  
R.I.P. cause I really miss yall foos  
Boy I'ma drink beer , until the day I caught  
East coast and da North, this is how we ball

Here we like to ride, crazy people drive  
I represent the dirty, dirty, dirty, dirty South(This is the way we ball)

And we ridin safe, Benz and Chevrolets  
We third coast born but we always Texas paid(This is

I'm thinkin - Getting rich sellin lots of dro  
I'm thinkin - Mexicans roaming out with dough  
I'm thinkin - Mexicans stealin diamonds and gold  
I'm thinkin - being president before I'm 24  
I'm feelin - some girls feelin all butt  
I'm fillin - my house with nothin but trucks  
I'm fillin - my cars gonna pop nuthin but trunk  
I'm feelin - like I'm makin 10 billion bucks  
And I know - I got my stock, sellin nothing but games  
And I know - all the time i be playin arcade  
And I know - yo baby mama still owe me some change  
And I know - if i dont my money, yo ass gettin chained  
And I make - nothin but laughs when I step out my  
crafts  
And I make - girls come to me and they get on my lap  
And I make - all your friends give me a lap dance  
I think I feel your girls on me, give me some ass?

Here we like to ride, crazy people drive  
I represent the dirty, dirty, dirty, dirty South(This is the  
way we ball)

And we ridin safe, Benz and Chevrolets

I'm swinging, about to rip the kizzerp, sipping on my  
syzzerp  
And on the back of my throwback it say Luis Rizzer  
Cause all we do is rhyme, all we do is blind

I'm the only one who went to the prom with Po-lice  
So how you love me, or do you really hate me  
Or do you love the rims on my drop top Chevy  
I pack a AK, cause I got to watch my back  
I'm still hatin Lac's, I'm still a Wetback  
Im bout to hit that, and you know we slap ass  
We been having cash, you can ask my nigga Shaq  
And if you ever come to my town just holla back  
Cause Lil' Ruiz and da 713 all about they dolla stacks

Here we like to ride, crazy people drive  
I represent the dirty, dirty, dirty, dirty South(This is the way we ball)

And we ridin safe, Benz and Chevrolets  
We third coast born but we always Texas paid(This is the way we ball)
