(feat. Groove Armada)

Your gone now, i feel fine.
Somebody met you, i feel fine.
What about you, i bet you been cryin.
I bet you been goin around town lyin.
Hey!

Im drivin fast, i feel so fine.
I got prince singing hot thing to me
I know every line.
So i pulled up to the red light
Sittin there in my car.
I looked up to my right
And there you are!

Sat there with some new girl what is this!
Dont panic panic Mutya, dont drive erratic. Hey!
That's who has replaced me? What a diss!
Dont panic panic, dont act to manic manic

Its a sure fire way, to ruin my day
Just as soon as im on top of my life
There you are again. Yeah
But dont react now, you cant go back now
Dont panic panic Mutya just look ahead now.
Out of control

Lets cut to it, my girl for lunch,

I was feeling on top of the world
And i just got a hunch.
You inside, behind my back
Didnt need to turn around
I felt sick at the thought
He laughed aloud

Sat there with some new girl what is this!
Dont panic panic Mutya, dont drive erratic. Hey!
That's who has replaced me? What a diss!
Dont panic panic, dont act to manic manic

Its a sure fire way, to ruin my day
Just as soon as im on top of my life
There you are again.
But dont react now, you cant go back now (no no no)
Dont panic panic Mutya, just look ahead now.
Out of control

Mmmmph.....

Its a sure fire way, to ruin my day
Just as soon as im on top of my life
There you are again.
But dont react now, you cant go back now
Dont panic panic mutya, just look ahead now
