You're gone now I feel fine
Seventeen months yeah I feel fine
What about you
I bet you've been crying
Bet you've been going around town lying

I'm driving fast, I feel so fine
I've got Prince singing 'Hot Thing' to me
I know every line
So I pull up to the red light
Sitting there in my car
I look up to my right
And there you are

Sat there with some new girl what is this
Don't panic panic Mutya don't drive erratic
That's who has replaced me what a dis
Don't panic panic, don't act to manic manic
It's a sure fire way to ruin my day
Just as soon as I'm on top of my life there you are again
But don't react now, you can't go back now
Don't panic panic Mutya just look ahead now

(Out of control)

Let's cut to it
My girl for lunch
I was feeling on top of the world and I just got a hunch
You were sat behind my back
Didn't need to turn round
I got sick at the thought
You laughing loud

Sat there with some new girl what is this
Don't panic panic Mutya don't drive erratic
That's who has replaced me what a dis
Don't panic panic, don't act to manic manic
It's a sure fire way to ruin my day
Just as soon as I'm on top of my life there you are again
But don't react now, you can't go back now
Don't panic panic Mutya just look ahead now

(Out of control)

It's a sure fire way to ruin my day
Just as soon as I'm on top of my life there you are again
But don't react now, you can't go back now
Don't panic panic Mutya just look ahead now

Don't panic, no, yeah no good for you

Oohs etc
