Has love lost its meaning?  
Am I destined not to feel it?  
Baby, I have  
And I just don't know it when I'm in it

Is it me to blame  
I really need to change  
This pattern I'm seeing  
I don't wanna be in

Why I gotta mess it up  
And get it wrong  
Like some kind of curse  
Ooh

Why do I have to suffer for love  
Suffer for love  
I've given it everything  
Still it ain't happening  
I'm sick of it all  
What does it want  
It's asking too much  
I'm a sucker for a suffer for love (yeah)

I wanna be happy  
I wanna be laughin'  
Just like all the people that I see up in the movies  
So I'm gonna take chances  
And I'm gonna make the difference  
Coz Cupid's got to put me in love

I keep on trying but I don't know how it works

There's no instruction so I keep on getting hurt  
Over again, over again, over and over and over again

I keep on trying but I don't know how it works  
There's no instruction so I keep on getting hurt  
Over again, over again, over and over and over again

Why do I have to suffer for love  
Suffer for love

Why do I have to suffer for love  
Suffer for love  
I've given it everything  
Still it ain't happening  
I'm sick of it all  
What does it want  
It's asking too much  
I'm a sucker for a suffer for love (oh yeah)
