Move it baby, move it baby  
Mr. Panda

He?s the bear who can always hand ya,  
Some bamboo cause he?s the panda.

He?s got a big body but he?s got a short tail,  
He?s the panda that?ll never fail.  
Ya?ll know his colors are black and white,  
Cause he?s the panda that can do it right.

You wont see him in Malaysia,  
You will find him in the trees of Asia,
