When I got sick
I found a lake of spit
Somewhere deep
In the ocean of life

When I lost my job
I found a lake of spit
Where people coming down
In the deep dark pit

When I lost my money
I got smelly crap
Deep in the pit where so many
coming to spit

When I got sick
I found a lake of spit
Somewhere deep
In the ocean of life

In the lake of spit
Everybody getting sick
And there is no care
No light, no life and no friends

When I lost my money
I got a smelly crap
Deep in the pit where so many
coming to spit

When I got sick
I found a lake of spit
Somewhere deep
In the ocean of life

In the lake of spit
Everybody getting sick
And there is no care
No light, no life and no friends

Spoken:

Dear Doctor's chronic lyme is in fact a real condition
