And I know you want it now.  
And I have needs to please, and release somehow.  
You know Iâ€™m down, but itâ€™s hard. Now look around.  
And I go crazed for days when I hit the ground.

Chorus:

And no I donâ€™t wanna stray away,  
All I wanna do is play.  
And no I donâ€™t wanna stray away,  
All I wanna do is play.  
You know I need some more,  
This feels so right.  
You know I am not bored,  
Causeâ€™ that would be a lie.  
You know youâ€™re not a spore.  
Causeâ€™ you can be my light.  
So open up this door,  
And let me inside.  
So we can park all night.  
Come on tonight,  
I feel the time is right.  
Come on tonight,  
Weâ€™re gonna hit it right.  
Come on tonight,  
And you must be alright.  
Come on tonight,  
You be holdinâ€™ out.

And Iâ€™m bleedinâ€™ with the sweetest tooth.  
And the candies wrong, and Iâ€™m tellinâ€™ all I need is  
you.  
Iâ€™ll lead the way, to deleting all your fears in me.  
So no more gray, and stop the insecurity.

Chorus

Come on tonight x4
