[Verse 1]

(oh, oh, ooh, ooh X2)

Yours was the perfect love; I swear it was  
Until I had your love, my world was cold  
I did what most men do and I messed it up  
But when I got you back my world was whole

The playa thing I let it go (yeah)  
Thought our life was set in stone  
But it wasn't and I'm here alone  
Nothing is in front of me  
I feel I can't even breathe  
Don't think that I can handle this, baby I'm sooo ...

[Chorus]

I'm so in agony, look at the state of me  
Left here...Broken  
You said you'd never leave  
Look what you've done to me  
Left here...Broken

[Verse 2]

Where do I go from here? I'm so lost  
Do you know how hard it is?  
Fighting my way through this  
Shouldn't even be like this  
Shouldn't have to feel like this  
no..... noooooo no

Can't even have company  
(Nobody can talk to me) nobody can talk to me  
I messed up all that I found myself doooing  
Looking through my gallery, drinking and smoking  
weed  
I hate you for doing this to me girl I'm sooo...

[Chorus]

I'm so in agony (I've never felt like this in my life)  
Look at the state of me  
Left here...Broken (brokeeenn)  
You said you'd never leave  
Look what you've done to (ohhhh) me  
Left here...Broken  
Ooooh

I'm so in agony  
Look at the state (ohhh, yeah, yeah) of me  
Left here...Broken (brokeeenn)  
You said you'd never leave  
Look what you've done to me (ohhh)  
Left here...Broken

[Verse 3]  
(Broken, broken, broken)  
Never thought I'd be this low down in my life  
I swear I'm...  
(Broken, broken, broken)  
Everyday I wished that it was me that had died  
And I'm...

[Chorus]  
I'm so in agony (so in agony)  
Look at the state of me  
Look at the state of me, (baby)  
Left here...Broken (I'm brokeeenn)  
You said you'd never leave  
Look what you've done to me (ohhh)  
Left here...Broken

Oooh  
I'm so in agony  
Look at the state (ohhh, yeah, yeah) of me  
Left here...Broken (brokeeenn)  
You said you'd never leave  
Look what you've done to me (ohhh)  
Left here...Broken

I'm so in agony  
Look at the state of me  
Left here...Broken  
You said you'd never leave  
Look what you've done to me  
Left here...Broken  
(Broken, broken, broken)
