I've been all, around the world  
And I finally found my true around the way girl  
She so hood, that's alright  
Cause I need that type of loving in my life  
I like a girl with extensions in her hair  
Or it could be hers, either way I don't care  
Walkin to the laundromat in your uggs and sweats  
With ya head scarf on and you still look fresh  
And the, latest fashion hood but so classic  
You got your own cash, you don't never have to ask  
Cause you're independent, Chanel, Louis, Fendi  
And on a light day, you might h&m it, Century 21 can't  
wait to be 21  
And you know everybody so you stay in the loop  
Kick it with your home girls after school on the stoop  
You can have jays on and you still look cute  
This what I like, man what a sight  
Such a girly girl but you be ready to fight  
Wasn't raised round here but sometimes I stay  
So let's hear for the girls from around the world  
I've been all, around the world  
And I finally found my true around the way girl  
She so hood, that's alright  
Cause I need that type of loving in my life  
Standing at the bus stop, shuffle through your iPod  
Hustlers try to kick it to you, every time they drive by  
Bye, with the boom and system, if he don't come  
correct I know you'll dismiss him  
Got style, you want you a man but not know  
Cause you focused on school, so it's gonna be a while  
You can walk with a strut and talk the streets slang  
Mary J, Chaka Khan, you still my sweet thang  
With a petite frame and your nice round round  
From the projects, but you can fit in downtown  
Summer time, at the park, while the homeboys ball  
Everybody jocking you but it ain't your fault  
Cause they don't do it like you, nah, and you know it  
Got a lot of confidence, step afraid to show it  
Wasn't raised round here but sometimes I stay  
So one time for the girls from around the world  
I've been all, around the world  
And I finally found my true around the way girl

She so hood, that's alright  
Cause I need that type of loving in my life  
I've been looking for that special round the way girl  
You were right here all along  
Didn't never go that far at all  
To find my round away girl  
I've been all, around the world  
And I finally found my true around the way girl  
She so hood, that's alright  
Cause I need that type of loving in my life.
