(First verse)

Just laid my eyes on the baddest girl I ever seen  
Let me rephrase that, all you wanna a woman to be  
From ha prasauna lil momma just had me goin  
bunkers.  
Beauty had me astonished, to meet her would be a  
honor  
I know I wanna ha but she was strolling round wit ha  
father,  
Didn't wanna bother but she was to good not to follow.  
Wanna respectfully approach she more than a holla,  
I can see ha given me ha number and then saying call  
ha.

But this first step just can't get it off my chest,  
Usually the best wit the ladies but she more of a threat.  
Could see us together and I aint even meet ha yet,  
neva believed in love at first sight, ? yes  
Man she got me all infactuted fasinated by why am I  
taken  
All this time and waiting being patient and faking  
But don't wanna come off Blainted so Imma just face it  
because I can no longer take it..
