Two up, for this great life, if it feels right
Go 'head put it up, everybody live it up
If tomorrow never comes,
Two up, for this great life, yeah it feels right
Go 'head put it up, everybody live it up
If tomorrow never comes, (now put your hands up high)
l, l, l, l, l, l, l, l, l, l, l, l, l, l, yeah, now keep them high
l, l, l, l, l, l, l, l, l, l, l, l, l, l, yeah,
I'm feeling good, rather I'm feeling great
The game got me feeling old but I don't feel the aches
(Uh) I'm tryna eat, you tryna steal my plate
All the hate, throw it out the front door, Philip Banks
(uh) I know I can, but .. you feel I can't
You think my hype is all gas but you fill my tank
(How) you fuel me (with what) your cruelty
And I'm a beast on the mic and thats the beauty
I'm Illmatic, Nas. Reasonable, Jay. my adidas run, that's
reasonable to say
And this season, imma let em' when I hit them with my
reign
When your boy raises hell, everybody betta pray
Ayeeee men, and women too,
We don't hang cause misery loves the miserable
But if your life's love let's kick it like flight club
Let's have a great day and see what the night does
Two up, for this great life, if it feels right
Go 'head put it up, everybody live it up
If tomorrow never comes,
Two up, for this great life, yeah it feels right
Go 'head put it up, everybody live it up
If tomorrow never comes, (now put your hands up high)
l, l, l, l, l, l, l, l, l, l, l, l, l, l, yeah, now keep 'em high
l, l, l, l, l, l, l, l, l, l, l, l, l, l, yeah,
I got my smartsuit on , I mean genius
I laugh but I'm serious, I mean it
I'm married to my craft and I don't intend on cheating
Might be tardy to the party but i'm early for the meeting
The smell of money lingers, go and take a whiff
You 'gon need some robitussin lma make you sick
The first draft pick i went straight into the pros
Now it's first class trips I said later to the roads
I don't get it, made it just creating for the flows

Sittin on the globe, and I'm using it as my comode
I know, (that's gross) I know, in the league of my own
Ain't nobody close so, clap your hands
For el capitan, and somebody tell Spinking to play this
track again
And ain't no looking back unless I'm backing in
I'm a thank you in my speech when I win
Two up, for this great life, if it feels right
Go 'head put it up, everybody live it up
If tomorrow never comes,
Two up, for this great life, yeah it feels right
Go 'head put it up, everybody live it up
If tomorrow never comes, (now put your hands up high)
l, l, l, l, l, l, l, l, l, l, l, l, l, l, l, l, yeah, now keep them high
l, l, l, l, l, l, l, l, l, l, l, l, l, l, l, l, yeah.
