Deep, dark well
It's a deep, dark well
It's the deepest and the darkest well that i have ever
found
Hear me calling you from deep down

Well i had wishes, i had dreams that i could not tell
So i dropped my silver dollars down that wishing well

Deep, dark well
It's a deep, dark well
It's the deepest and the darkest well that i have ever
found
Hear me calling you from deep down

Well I've had visions, I've had dreams that could not
come true
'Cause I leaned too close, that's when i fell in to my..

Deep dark well,
It's a deep dark well
It's the deepest and the darkest well that i have ever
found
Hear me calling you from deep down
