Oh a playful little kitten met a playful little bird,
And then off with it's head, off with it's head, oh my!

And a breeze met a blossom in a winter embrace
And then off with it's head, off with it's head, oh my!

Am I outta my head, outta my head my love?
Am I outta my head or is this real life?

Well you brought me in from the cold babe
For to sharpen up your knives
And then off with my head, off with my head, oh my!

First you taught me how to crawl, and you then taught
me how to cry
And then off with my head, off with my head, oh my!

Am I outta my head, am I outta my head my love?
Am I outta my head or is this goodbye?
Am I outta my head or is this goodbye?
