Well I've been pushed to the edge,  
By my head ache (moves?)  
And I got pulled by the pull of the tide  
And I got stripped of my soul  
Standing in my shoes  
Come back, come back  
My little peace of mind

Come back, come back  
My little peace of mind  
Since the day you've been gone  
I cannot keep from crying  
Come back, come back  
My little peace of mind

I sent signals and signs  
From the mountainside  
Now I'm gonna try this old microphone line  
Now I'm callin' out your name on this radio campaign  
Come back, come back  
My little peace of mind

Come back, come back  
My little peace of mind  
Since the day you've been gone  
I cannot keep from crying  
Come back, come back  
My little peace of mind.
